Sponsorship Opportunities

The Ontario Provincial Association (OPA) is the supporting arm of the Family Campers & RVers (FCRV) who are a member owned international, non-profit organization. In Ontario the (OPA) currently has 20 affiliated chapter clubs consisting of approximately 240 camping family units throughout the province, while FCRV has a membership base of over 4,000 family camping units throughout the United States.

Ontario (OPA) currently maintains a website for the purpose of keeping its members informed of the various events occurring with-in the camping environment. To assist in offsetting the cost of maintaining this site, we welcome sponsors to purchase space so as to promote and/or advertise their products and services through the province, as well to our friends arriving from the South.

These sponsorship opportunities require an annual payment which includes the initial set up on the webpage following: <http://www.opa-fcrv.ca/>. The OPA webpage also contains a link to the FCRV webpage and can be viewed by selecting the following link: <http://www.fcrv.org/>

This is an extremely attractive opportunity to promote your organization and service in a very inexpensive manner, while linking your webpage to the OPA webpage.

I look forward to hearing from you that we might pursue the benefits of advertising communication.
